

Item	Description	Suggested HCPCS Coding:
Low Activity Knees		
3P23	JUPA Knee-Shin Component	L5712
3P4	Knee-Shin Component	L5710
3R15	Single Axis Knee Joint, Break	L5812 + L5850
3R17	Single Axis Knee Joint, Lock	L5810 + L5850
3R30	Polycntr. Knee Joint for KD, Titan.	L5611 + L5850
3R31	Prosedo modular knee joint	L5811 + L5845
Restrictions to Coding and/or Coverage may apply		
3R32	Polycntr. Knee for KD, Lock, Titan.	L5816
3R33	Single Axis Knee Joint, Lock, Titan.	L5811 + L5850
3R36	Polycntr. Knee Joint, Titan.	L5611 + L5850
3R40	Lightweight Knee Joint, Lock	L5811
3R41	Modular Knee Joint	L5811
3R49	Single Axis Knee Joint, Brake Titan.	L5812 + L5850
3R62	Pheon - Modular Knee Joint	L5611 + L5845 + L5850 + L5925
3R90	Comfort-Brake Knee (mech Ext. Assist)	L5812 + L5845 + L5850
3R93	Modular Brake Knee Joint with Lock	L5812 + L5845 + L5850 + L5925
3P19	Knee-Shin Component	L5712

The product/device "Supplier" (defined as O&P practitioner, O&P patient care facility or DME supplier) assumes full responsibility for accurate billing of Ottobock products. It is the Supplier's responsibility to determine medical necessity; ensure coverage criteria is met; and submit appropriate HCPCS codes, modifiers, and charges for products/services delivered. It is also recommended that Supplier contact insurance payer(s) for coding and coverage guidance prior to submitting claims. Ottobock Coding Suggestions and Reimbursement Guides are based on reasonable judgment and are not recommended to replace the Supplier's judgment. These recommendations may be subject to revision based on additional information for alpha-numeric system changes.

Item	Description	Suggested HCPCS Coding:
Moderate Activity Knees		
3C60	Kenevo	L5828 + L5845 + L5848 + L5858 + L5850 + L5999* Restrictions to Coding and/or Coverage may apply * See Kenevo Reimbursement Tool Kit
3R106	Modular Knee Joint, servo-pneumatic	L5840 + L5850 Restrictions to Coding and/or Coverage may apply
3R60	Modular Polycentric EBS Knee Joint	L5814 + L5845 + L5848 Restrictions to Coding and/or Coverage may apply PDAC Verified as L5814 + L5848
3R60=VC	3R60 Vacuum	L5814 + L5845 + L5848 + L5781 Restrictions to Coding and/or Coverage may apply
3R60-PRO	EBS-PRO-Knee	L5814 + L5845 + L5848 Restrictions to Coding and/or Coverage may apply PDAC Verified as L5814 + L5848
3R78	Modular Knee Joint, pneumatic	L5840 + L5850 Restrictions to Coding and/or Coverage may apply
3R92	Comfort-Brake Knee (pneumatic system)	L5822 + L5845 + L5850 Restrictions to Coding and/or Coverage may apply
3WR95	Aqua Knee	L5826 + L5925 Restrictions to Coding and/or Coverage may apply

The product/device "Supplier" (defined as O&P practitioner, O&P patient care facility or DME supplier) assumes full responsibility for accurate billing of Ottobock products. It is the Supplier's responsibility to determine medical necessity; ensure coverage criteria is met; and submit appropriate HCPCS codes, modifiers, and charges for products/services delivered. It is also recommended that Supplier contact insurance payer(s) for coding and coverage guidance prior to submitting claims. Ottobock Coding Suggestions and Reimbursement Guides are based on reasonable judgment and are not recommended to replace the Supplier's judgment. These recommendations may be subject to revision based on additional information for alpha-numeric system changes.

Item	Description	Suggested HCPCS Coding:
High Activity Knees		
3B1	Genium	Private Payer: L5999 (X4) + L5828 + L5845 + L5848 Restrictions to Coding and/or Coverage may apply * See Genium Reimbursement Tool Kit

The product/device "Supplier" (defined as O&P practitioner, O&P patient care facility or DME supplier) assumes full responsibility for accurate billing of Ottobock products. It is the Supplier's responsibility to determine medical necessity; ensure coverage criteria is met; and submit appropriate HCPCS codes, modifiers, and charges for products/services delivered. It is also recommended that Supplier contact insurance payer(s) for coding and coverage guidance prior to submitting claims. Ottobock Coding Suggestions and Reimbursement Guides are based on reasonable judgment and are not recommended to replace the Supplier's judgment. These recommendations may be subject to revision based on additional information for alpha-numeric system changes.
