## Ottobock images

We are pleased that you would like to use our images for your own purposes and hereby grant you permission to do so. If you have any questions, please contact: [downloadcenter@ottobock.de](mailto:downloadcenter@ottobock.de)

**Please observe the following:**

Coloured images from Ottobock may be used for advertising purposes within your own communications if they include “© Ottobock” at the right-hand border of the image.

We request a sample copy of printed material and advertisements after production. If they are used in a digital medium (e. g., the Internet, an app, social media, etc.), please send us a screenshot or document with a corresponding link where they are published. This also applies for their use at trade shows, within the architecture and at the point of sale.

Any alteration of the images by means of photo editing and montages, or their transfer to third parties are expressly prohibited.

If you would like to use the Ottobock corporate design for your product advertising, Ottobock layout templates and images in warm grey must be used. Images in warm grey may only be used with the Ottobock logo in the upper right-hand corner. If you would like to do so, please contact: [brand@ottobock.com](mailto:brand@ottobock.com)

**We wish you success in your marketing activities.**
